SKILLS

Penetration Tester
Vulnerability Assessment
Bug Hunting
Web Application Security
Networking & Security
Python Basics
Burp Suite
OWASP Top 10

CERTIFICATIONS

- Professional Bug Hunting & Advanced Web Application Security Testing - Byte Capsule
- Certified Ethical Hacker Practical Preparation (CEHPP) with - HHBSEC Inc.
- Career with AI - Grameenphone Academy

LANGUAGES

- Bangla
- English

KEY ACHIEVEMENTS

- Joined Byte Capsule cybersecurity team as Junior Red Team Analyst Intern.
- Completed 6-month advanced web application security training.
- Practicing labs, CTF-style challenges, and technical write-ups.

SUMMARY

Motivated and passionate cybersecurity learner with hands-on training in ethical hacking, penetration testing, bug hunting, and web application security testing. Currently developing practical offensive security skills through labs, cybersecurity challenges, and self-study with the goal of building a professional career in Red Teaming and offensive security.

EXPERIENCE

Junior Red Team Analyst Intern

06/2026 - Present

Byte Capsule - Remote

- Supporting penetration testing and web application security assessment activities.
- Practicing vulnerability identification, documentation, and security reporting.
- Learning real-world red team workflows under mentor guidance.
- Collaborating with the cybersecurity team and improving offensive security skills.

Cybersecurity Learner / Lab Practitioner

2024 - Present

Self-Study, TryHackMe & Practical Labs

- Practicing web application testing, reconnaissance, and vulnerability assessment basics.
- Studying Linux, networking, ethical hacking, and Red Team methodologies.
- Writing learning content and technical write-ups to document progress.

PROJECTS & LEARNING ACTIVITIES

- Password Strength Checker - Python-based tool for basic password security awareness.
- Port Scanner - networking project to understand service discovery concepts.
- OWASP Notes - personal notes on common web application vulnerabilities.
- CTF/Lab Write-ups - documented learning from cybersecurity practice rooms and labs.

EDUCATION

Bachelor of Science (B.Sc.) in Mathematics

Running - 2nd Year

Lakshimpur Gov't College

Higher Secondary Certificate (HSC)

GPA 4.33 / 5.00

Science Group

Secondary School Certificate (SSC)

GPA 4.24 / 5.00

Science Group

- Building analytical thinking, problem-solving, and logical reasoning skills.

I affirm that the information provided is true and accurate.
